            <h1>Collecting and Using Your Personal Data</h1>
            <h2>Types of Data Collected</h2>
            <h3>Personal Data</h3>
            <p>While using Our Service, We may ask You to provide Us with
certain personally identifiable information that can be used to contact or
identify You. Personally identifiable information may include, but is not
limited to:</p>
            <ul>

            <p>Usage Data</p>
            </li>
            </ul>
            <h3>Usage Data</h3>
            <p>Usage Data is collected automatically when using the
Service.</p>
            <p>Usage Data may include information such as Your Device's
Internet Protocol address (e.g. IP address), browser type, browser version,
the pages of our Service that You visit, the time and date of Your visit, the
time spent on those pages, unique device identifiers and other diagnostic
data.</p>
            <p>When You access the Service by or through a mobile device, We
may collect certain information automatically, including, but not limited to,
the type of mobile device You use, Your mobile device unique ID, the IP
address of Your mobile device, Your mobile operating system, the type of
mobile Internet browser You use, unique device identifiers and other
diagnostic data.</p>

        <p>We may also collect information that Your browser sends
whenever You visit our Service or when You access the Service by or through a
mobile device.</p>
        <h3>Tracking Technologies and Cookies</h3>
        <p>We use Cookies and similar tracking technologies to track the
activity on Our Service and store certain information. Tracking technologies
used are beacons, tags, and scripts to collect and track information and to
improve and analyze Our Service. The technologies We use may include:</p>
        <ul>
        <li><strong>Cookies or Browser Cookies.</strong> A cookie is a
small file placed on Your Device. You can instruct Your browser to refuse all
Cookies or to indicate when a Cookie is being sent. However, if You do not
accept Cookies, You may not be able to use some parts of our Service. Unless
you have adjusted Your browser setting so that it will refuse Cookies, our
Service may use Cookies.</li>
        <li><strong>Flash Cookies.</strong> Certain features of our
Service may use local stored objects (or Flash Cookies) to collect and store
information about Your preferences or Your activity on our Service. Flash
Cookies are not managed by the same browser settings as those used for Browser
Cookies. For more information on how You can delete Flash Cookies, please read
&quot;Where can I change the settings for disabling, or deleting local shared
objects?</li>
        <li><strong>Web Beacons.</strong> Certain sections of our Service
and our emails may contain small electronic files known as web beacons (also
referred to as clear gifs, pixel tags, and single-pixel gifs) that permit the
Company, for example, to count users who have visited those pages or opened an
email and for other related website statistics (for example, recording the
popularity of a certain section and verifying system and server
integrity).</li>
        </ul>
        <p>Cookies can be &quot;Persistent&quot; or &quot;Session&quot;
Cookies. Persistent Cookies remain on Your personal computer or mobile device
when You go offline, while Session Cookies are deleted as soon as You close
Your web browser.</p>
        <p>We use both Session and Persistent Cookies for the purposes set
out below:</p>

          <li>
          <p><strong>To manage Your Account:</strong> to manage Your
registration as a user of the Service. The Personal Data You provide can give
You access to different functionalities of the Service that are available to
You as a registered user.</p>
          </li>
          <li>
          <p><strong>For the performance of a contract:</strong> the
development, compliance and undertaking of the purchase contract for the
products, items or services You have purchased or of any other contract with
Us through the Service.</p>
          </li>
          <li>
          <p><strong>To contact You:</strong> To contact You by email,
telephone calls, SMS, or other equivalent forms of electronic communication,
such as a mobile application's push notifications regarding updates or
informative communications related to the functionalities, products or
contracted services, including the security updates, when necessary or
reasonable for their implementation.</p>
```

```
        </li>
        <li>
        <p><strong>To provide You</strong> with news, special offers and
general information about other goods, services and events which we offer that
are similar to those that you have already purchased or enquired about unless
You have opted not to receive such information.</p>
        </li>
        <li>
        <p><strong>To manage Your requests:</strong> To attend and manage
Your requests to Us.</p>
        </li>
        <li>
        <p><strong>For business transfers:</strong> We may use Your
information to evaluate or conduct a merger, divestiture, restructuring,
reorganization, dissolution, or other sale or transfer of some or all of Our
assets, whether as a going concern or as part of bankruptcy, liquidation, or
similar proceeding, in which Personal Data held by Us about our Service users
is among the assets transferred.</p>
        </li>
        <li>
        <p><strong>For other purposes</strong>: We may use Your
information for other purposes, such as data analysis, identifying usage
trends, determining the effectiveness of our promotional campaigns and to
evaluate and improve our Service, products, services, marketing and your
experience.</p>
        </li>
        </ul>
        <p>We may share Your personal information in the following
situations:</p>
        <ul>
        <li><strong>With Service Providers:</strong> We may share Your
personal information with Service Providers to monitor and analyze the use of
our Service,  to contact You.</li>
        <li><strong>For business transfers:</strong> We may share or
transfer Your personal information in connection with, or during negotiations
of, any merger, sale of Company assets, financing, or acquisition of all or a
portion of Our business to another company.</li>
        <li><strong>With Affiliates:</strong> We may share Your
information with Our affiliates, in which case we will require those
affiliates to honor this Privacy Policy. Affiliates include Our parent company
and any other subsidiaries, joint venture partners or other companies that We
control or that are under common control with Us.</li>
        <li><strong>With business partners:</strong> We may share Your
information with Our business partners to offer You certain products, services
or promotions.</li>
        <li><strong>With other users:</strong> when You share personal
information or otherwise interact in the public areas with other users, such
information may be viewed by all users and may be publicly distributed
```

outside. If You interact with other users or register through a Third-Party Social Media Service, Your contacts on the Third-Party Social Media Service may see Your name, profile, pictures and description of Your activity. Similarly, other users will be able to view descriptions of Your activity, communicate with You and view Your profile.
                With Your consent: We may disclose Your personal information for any other purpose with Your consent.

            <h2>Retention of Your Personal Data</h2>
            <p>The Company will retain Your Personal Data only for as long as is necessary for the purposes set out in this Privacy Policy. We will retain and use Your Personal Data to the extent necessary to comply with our legal obligations (for example, if we are required to retain your data to comply with applicable laws), resolve disputes, and enforce our legal agreements and policies.</p>
            <p>The Company will also retain Usage Data for internal analysis purposes. Usage Data is generally retained for a shorter period of time, except when this data is used to strengthen the security or to improve the functionality of Our Service, or We are legally obligated to retain this data for longer time periods.</p>
            <h2>Transfer of Your Personal Data</h2>
            <p>Your information, including Personal Data, is processed at the Company's operating offices and in any other places where the parties involved in the processing are located. It means that this information may be transferred to — and maintained on — computers located outside of Your state, province, country or other governmental jurisdiction where the data protection laws may differ than those from Your jurisdiction.</p>
            <p>Your consent to this Privacy Policy followed by Your submission of such information represents Your agreement to that transfer.</p>
            <p>The Company will take all steps reasonably necessary to ensure that Your data is treated securely and in accordance with this Privacy Policy and no transfer of Your Personal Data will take place to an organization or a country unless there are adequate controls in place including the security of Your data and other personal information.</p>
            <h2>Disclosure of Your Personal Data</h2>
            <h3>Business Transactions</h3>
            <p>If the Company is involved in a merger, acquisition or asset sale, Your Personal Data may be transferred. We will provide notice before Your Personal Data is transferred and becomes subject to a different Privacy Policy.</p>
            <h3>Law enforcement</h3>
            <p>Under certain circumstances, the Company may be required to disclose Your Personal Data if required to do so by law or in response to valid requests by public authorities (e.g. a court or a government agency).</p>
            <h3>Other legal requirements</h3>
            <p>The Company may disclose Your Personal Data in the good faith belief that such action is necessary to:</p>

```html
            <ul>
            <li>Comply with a legal obligation</li>
            <li>Protect and defend the rights or property of the Company</li>
            <li>Prevent or investigate possible wrongdoing in connection with
the Service</li>
            <li>Protect the personal safety of Users of the Service or the
public</li>
            <li>Protect against legal liability</li>
            </ul>
            <h2>Security of Your Personal Data</h2>
            <p>The security of Your Personal Data is important to Us, but
remember that no method of transmission over the Internet, or method of
electronic storage is 100% secure. While We strive to use commercially
acceptable means to protect Your Personal Data, We cannot guarantee its
absolute security.</p>
            <h1>Children's Privacy</h1>
            <p>Our Service does not address anyone under the age of 13. We do
not knowingly collect personally identifiable information from anyone under
the age of 13. If You are a parent or guardian and You are aware that Your
child has provided Us with Personal Data, please contact Us. If We become
aware that We have collected Personal Data from anyone under the age of 13
without verification of parental consent, We take steps to remove that
information from Our servers.</p>
            <p>If We need to rely on consent as a legal basis for processing
Your information and Your country requires consent from a parent, We may
require Your parent's consent before We collect and use that information.</p>
            <h1>Links to Other Websites</h1>
            <p>Our Service may contain links to other websites that are not
operated by Us. If You click on a third party link, You will be directed to
that third party's site. We strongly advise You to review the Privacy Policy
of every site You visit.</p>
            <p>We have no control over and assume no responsibility for the
content, privacy policies or practices of any third party sites or
services.</p>
            <h1>Changes to this Privacy Policy</h1>
            <p>We may update Our Privacy Policy from time to time. We will
notify You of any changes by posting the new Privacy Policy on this page.</p>
            <p>We will let You know via email and/or a prominent notice on Our
Service, prior to the change becoming effective and update the &quot;Last
updated&quot; date at the top of this Privacy Policy.</p>
            <p>You are advised to review this Privacy Policy periodically for
any changes. Changes to this Privacy Policy are effective when they are posted
on this page.</p>
